Our primary objective is to focus on offering quality solutions in the industry and create benchmark in terms of Design , product quality thus life safety of People.

Vision : Our Vision is to be Global player in the arena of Fire protection & Life Safety to protect life of people globally.

FIRE PROTECTION | ELECTRONIC SECURITY-IBMS | UTILITY PIPING

1 FIRE PROTECTION SYSTEM

Turnkey project of Fire Hydrant System, Fire Sprinkler System, Foam Base System, Water Spray System, Water Curtain System, Fire Detection System, FF- Talk Back System, VESDA, Tube Suppression System, Dry Sprinkler System, Fire Rated Ceiling, Fire Rated Partition, Fire Rated Shaft Closing, Fire Rated Door, Fire Rated Sealant, Fire Protection for Steel

2 PERSONAL PROTECTIVE EQUIPMENTS

Supply of Personnel Protective Equipments Head to toe -
Head Protection, Respiratory Protection, Ear Protection, Hand Protection,
Body Protection, Foot Protection, Fall Protection, Spill Protection, Electrical Protection
Gas Detection, Lock Out Tag Out, Welding Accessories, Environment Protection
Chemical Protection Safety Cabinet / Cans / Pallets

3 FIRE AND SAFETY EQUIPMENTS

Supply of New Fire Extinguisher
Supply of All Types of Hydrant Sprinkler Accessories
Annual Maintenance Contract of Fire Extinguisher &Hydrant System
Refilling & Hydraulic Pressure Testing of fire extinguisher / All Accessories

4 ELECTRONIC SECURITY SYSTEM

Analogue Control System, Water Leak Detection System,
Rodent Repellent System, BMS System, CCTV System

5 TRAFFIC SAFETY SYSTEM

Supply of Rubber Speed Breaker, Corner Guard, Traffic cones, Cat eyes,
Spring Post, Bollard
Thermo Plastic Paint, Convex Mirror, Dome Mirror, Median Marker, Q-Manager,
Esca e Route Plan

6 CORPORATE TRAINING PROGRAMS

Training Program on Fire Fighting
Training Program on First Aid
Training Program on Mock Drill
Training Program on CPR / AED / SCBA
